- Budget Committee approved Budget presented to OWWSA Board to review and adopt. Board reviewed Budget as presented for OWWSA 2026-2027. Motion by Richard Lopez to adopt the 2026 – 2027 Budget resolution #260625, seconded by Tony Sneath. No further discussion. Motion was carried with the following votes: Richard Lopez – Aye, Bob Wolverton – Aye, Tony Sneath – Aye, Mitch Logan – Aye.
- Absent: Michael Papin and Dan Parks
- Barn submitted a letter to get permission to install wi-fi and install camera's at the barn for the safety and wellbeing of the animals at the barn due to trespassing issues late at night and people interacting with the horses without permission. The Board discussed the request and determined that this would be permissible as long as the Horse Barn is 100% responsible for all costs incurred and responsibilities concerning the aspects of the wi-fi and camera's and follow all applicable laws and regulations regarding postings and notifications of camera's. Motion made by Mitch Logan that allow the Horse Barn to put in the required equipment to get wi-fi and camera's provided that there is no expense in installation and future maintenance for that system to OWWSA and that they comply with all applicable regulations and laws governing surveillance. Seconded by Richard Lopez. No further discussion. Motion was carried with the following votes: Richard Lopez – Aye, Bob Wolverton – Aye, Tony Sneath – Aye, Mitch Logan – Aye.
- Absent: Michael Papin and Dan Parks
